

# THE VIRGIN BIRTH

MEMORY VERSE: GAL. 4:4-5

**INTRODUCTION:** God had to get an uncorrupted vessel to bring in the Son. He therefore did not want the Son to come through a man/woman relationship but to present a pure and sinless Son born of His own Spirit - John 1:3. This study simply looks at the Virgin Birth of Jesus Christ.

## JESUS' SINLESS LIFE

- 1) He knew no sin. – 2 Cor. 5:21.
- 2) He did no sin – 1 Pet. 2:22; Heb. 4:15.
- 3) He had no sin – 1 Jn. 3:5.

MEMORY VERSE: 2 COR. 5:21

## TESTIMONIES CONCERNING HIS SINLESS LIFE

- b) Pilate's wife – Matt. 27:19.
- c) Judas – Matt. 27:6.
- d) The dying thief – Lk. 23:41.

  - Pathogenesis theory: That a woman can give birth without a man as goats and other animals do. If this process took place in Mary she should have had a girl and not a boy.
  - Why did God have to use a virgin who was someone's wife? – Deut. 23:2.
    - Answer: If God had used an unmarried woman, the Jews would have applied Deut. 23:2 to claim that Jesus was a bastard and would not have accepted Him.
